Volunteer Orientation

A handbook like this is useful in covering information in a general manner. Volunteers, whether in specific programs such as the “Foster Grandparent Program” or as a volunteer in a certain classroom, need specific information about their volunteer duties. This can be accomplished by attending an orientation/training with other potential volunteers or by meeting individually with the member of the school staff who will be supervising you. For example, volunteers need to know where supplies are located, how to use certain office equipment, as well as specific school practices. Once you've become an experienced volunteer, you may be asked to help with the orientation of new volunteers.

Teachers, Parents, and Volunteers - Partners in Learning

Volunteers have played, and will continue to play an important and valuable role in the Lone Rock School District. Students, teachers, staff, parents, and the community benefit from the work of individuals like you who freely share their talents and resources. We also know that as a volunteer, you too will be rewarded.

This handbook is directed to volunteers who are parents, older brothers and sisters, grandparents, college, high, or middle school students, retired persons, former teachers and administrators, persons from businesses and community leaders, persons of every educational level - in short, to anyone wishing to devote a portion of her or his time to one of the most important systems in any community - public schools. Because we want you to get the most out of your volunteer experience, we want to make sure you are an informed volunteer. Volunteers are a valuable addition to the education team and make a considerable contribution to a school's ability to meet its goals for student achievement. School volunteers assist in school activities under the supervision and direction of school. Screening of volunteers will be made as required by district procedures and are required to complete a fingerprint and background check. **Volunteers are directed to sign in at the school office each and every time they arrive to volunteer.** One hour a week, one day a week, one day on a special project - your efforts make a difference for students.

You don't need to be an expert in an academic subject to be an effective volunteer in a school. Far more important is a genuine interest in the well-being and education of children. Successful school volunteers possess the following qualities:

- Cooperation and dependability
- Compatibility with children
- A respect for and understanding of confidentiality
- A positive attitude
- Flexibility, friendliness and patience
- A sense of humor
- Responsible citizenship qualities

Teachers and staff know they are fortunate to work with so many committed volunteers. Volunteers in schools help in many different ways: classrooms, playgrounds, libraries, offices, field trips, team sports, and special projects.

Commitment

Whether you are volunteering on a regular basis or for a one-time project or event, arrive a little early so there is time for communication and direction. Also, be sure to let the teacher, librarian, or whoever is supervising your work as a volunteer know when your schedule changes or if you can't make it when you are expected. While there are certain expectations from volunteers to help things run smoothly, we realize you also have expectations from school staff. We are committed to working with you to make sure volunteering is rewarding for everyone.

You're Part of a Team

Be a professional. As a school volunteer, you are a role model for students. Behave toward students and school staff in a respectful manner that sets an example of professionalism and good citizenship.

Communicate

As a school volunteer, it is crucial that the lines of communication stay open and clear. Remember the saying "no question is a dumb question?" Believe it! If you are unsure about what's expected of you, or how to use certain office equipment, please ask someone for direction.

Legal Issues – Sign in Procedure and Security

Volunteers are required to sign in at the office. Signing in each time you volunteer also allows school personnel to locate you immediately in case of an emergency while at school. For everyone's safety, it's important to know who you are and why you are at school.

Confidentiality

What you hear or observe about students or staff while volunteering in a school is confidential. Even a seemingly harmless comment repeated to another can be misunderstood and cause harm to the school team. If confidentiality is violated, volunteering may be suspended.

Child Neglect and Abuse Reporting

School volunteers are considered mandatory reporters of suspected child neglect and abuse. If a student discloses that they are in a dangerous situation or if you have reason to suspect neglect/abuse, report this immediately and privately to the administrator.

Supervision

Volunteers perform under the direction/supervision of school personnel. If a volunteer assists a student or students outside the classroom, they should not be taken to any area except that specified by the teacher or administrator.

Your Role in the Classroom

If you are volunteering in a classroom, make sure you and the teacher are clear on your responsibilities and that you are both comfortable with your duties. The real value for a teacher in having a volunteer is that it frees the teacher to teach.

Volunteers in the K-5 and 6-8 Grades

Our K-5 grades operate on the same schedule. Volunteers are strongly encouraged to participate in school-wide training/workshops and activities for volunteers. Volunteering with older students is just as important as in the early grades; it simply has to be adapted to the developmental and educational needs of the students. If you would like to volunteer with older students and are unsure how, feel free to speak to the administrator or a teacher.

Volunteer Hours

School volunteers help in schools during regular school hours of 8:30 a.m. to 3:30 p.m.

Screening

All prospective volunteers who will be volunteering on a regular basis or have unsupervised contact with students need to complete a Volunteer Registration Form. All prospective volunteers will need to be fingerprinted and have a background check.

The fingerprint forms can be obtained at the Ravalli County Sheriff's Office. We do not have a school resource officer, so

you'll need to contact the Ravalli County Sheriff Dept. There is a \$25.00 charge to get your fingerprints done at the Sheriff's office, which are only conducted on Wednesdays from noon to 2:00pm. The Missoula City Police Dept also conducts fingerprinting as well. Please bring all completed fingerprint forms (and a check for \$27.25, made out to DOJ) to Jeannie Morgan in the Clerk's office so the forms can be submitted for the background check.

Interests and Talents

We want to make the best match we can between volunteer opportunities and your interests and talents. Let school personnel or the volunteer coordinator know how you can best contribute. Your input may lead to the development of additional volunteer opportunities.

Discipline or Behavior Problems

As a school volunteer you may notice students disobeying school or classroom rules. Your responsibility is to call such matters to the attention of the teacher or other supervising school personnel. Use discretion when taking corrective measures into your own hands. There are many ways in which schools are alike; but because schools must fulfill unique educational needs of students from many diverse backgrounds, please familiarize yourself with Lone Rock School's expectations, as each school has a personality or culture of its own. Volunteers should be informed about the school's general disciplinary procedures to avoid any misunderstanding. Please familiarize yourself with the student handbook so you know what is expected of them. It can be found in both hardcopy and digital format on the school's webpage: www.LoneRockSchool.org

What to Wear

Wearing appropriate, practical, and comfortable clothing when you volunteer is one more way you can be a role model. If you have a question, feel free to ask for a copy of the school's dress code or to talk with the administrator, a teacher, or another school volunteer.

Child Care

Parents/guardians are discouraged from bringing children with them to school while they volunteer. Everyone's focus needs to be on the students who are enrolled in the school and involved in learning activities.

Who is doing the teaching?

If you are volunteering in a classroom, make sure you and the teacher are clear on your responsibilities and that you are both comfortable with your duties. The real value for a teacher in having a volunteer is that it frees the teacher to teach.

If you would like to volunteer at your child or grandchild's school, contact Mr. Stiegler at 777-3314 x201 or x202. To volunteer for the after-school Excel Program, please contact Pat Cartwright, Excel Program Director at x210. The after-school Excel program is daily from 3:30-5:30 except on Wednesday early out, which is from 2:30-5:30.

One hour a week, one day a week, one day on a special project - your efforts make a positive difference for students.
